SENIOR ACADEMIC LEADERSHIP EXPERIENCE

TEMPLE UNIVERSITY

At the Japan campus of this top global university, I am in my second decade of service with Temple University (2003-2009 and 2020-present). My current duties include overseeing all aspects of the academic, student, financial, and administrative dimensions associated with 12 undergraduate degree programs (3,300+ students), 5 graduate degree programs (over 275 students), and non-degree programs (over 2,000 learners).

PRESIDENT, CEO, DEAN | Japan Campus (2020-present)

- **Executive level leadership.** Leading a complex organization transparently with a focus on student success, strategic growth, reputation elevation, fiscal stability, community engagement, innovation, team building, public relations, inclusion, and overall excellence.
- **New mission, vision, and strategic plan.** Spearheaded the creation and implementation of the first strategic plan in decades, which focused on providing an exceptional student experience, preparing global-ready students, promoting versatility, fostering innovation, and developing collaborations.
- **Recording breaking enrollments.** Helping orchestrate record growth for over 5 consecutive years including a 166% increase in the undergraduate student population (increase from 1,250 students in fall 2020 to over 3,300 students in fall 2024). Efforts include my personal hands-on involvement in the recruitment process including high school visits (domestic and international), social media strategies, open campus involvement, development of new recruitment pipelines, creation of new recruitment positions, targeted retention activities, and development of new programs.
- **Record financial performance.** Guided campus to unprecedented heights despite Japan's closed borders between 2020-22 because of the pandemic.
- **New satellite campus in Kyoto.** Conceptualized, negotiated, developed, and launched a new multi-building satellite campus in the cultural mecca and imperial capital of Kyoto, Japan. Significant growth during my tenure opened the door for this major expansion. Over 300 students are now enrolled.
- **Record fundraising.** Oversaw the implementation of largest donation in TUJ history (\$4.5 m). Successfully executed fundraising campaigns for the: *Ukrainian evacuee program, food pantry, Institute of Contemporary Asian Studies, and multiple U.S. Department of State grants.*
- **Expanded talent** to advance campus into a new era including faculty, staff, and senior leadership. My efforts included more than tripling our full-time faculty and improving our adjunct faculty system.
- **Academic quality.** Enhancements to online learning and hiring approaches together with new programs targeted at student leadership, research, academic success, and student retention.
- **Facilities – growth.** To meet student needs and accommodate growth, orchestrated new strategies focused on acquiring buildings and dorms in Tokyo and Kyoto. This included the transformation of a multi-story casino into an all-academic building in Tokyo.
- **Government relations - groundbreaking.** Entered into collaborative agreements with Kyoto (2025), Osaka (2024), Nagasaki prefecture in Kyushu (2024), Ehime prefecture on the island of Shikoku (2024), and Yamanashi prefecture on the main island of Honshu (2022) to facilitate English-language training programs for students and teachers, workforce development programs, research exchanges, recruitment pipelines, and internship opportunities. Spearheaded a collaboration agreement with the City of Setagaya.
- **New programs.** Brought the following programs to TUJ including *computer science* (full major and new minors), *Tourism and Hospitality Management* degree, *esports program* (academic and extracurricular), and *Emerging Leaders Program*. These strategic additions resulted in significant jumps in enrollment, external interest, and collaborations.
- **New bridges with our main campus in Philadelphia.** Helped build *Fly-to-Philly program* (increased TUJ students studying on campus from 2-3 per semester to 75 per semester); *joint online M.Ed. and Ph.D. program with College of Education*; and *TUJ visiting faculty program*.

TEMPLE UNIVERSITY (CONTINUED)

SENIOR ASSOCIATE DEAN and ASSOCIATE DEAN | Japan Campus (2004-09)

- Served as a member of the senior cabinet and helping develop a consensus among key stakeholders regarding business, legal, and strategic issues.
- Helped guide Tokyo campus through difficult budgetary times and developed new strategies and programs that resulted in student growth, financial stability, and campus expansion.
- Curriculum development, academic policies, and accreditation.
- Main campus liaison and coordination of academic matters with various colleges.
- Supported and managed deans, directors, managers, and staff in strategic planning, problem-solving, quality control, budgeting, staffing, and other functions.
- Supported faculty development, faculty scholarship, and excellence in teaching.
- Oversight of enrollment management, academic advising, registrar, special academic programs, career development, student services, and library.
- Responsible for developing and rolling out a successful global recruitment strategy

GENERAL COUNSEL | Japan Campus (2004-09)

- Advised President/Dean about all legal, regulatory, strategic, and risk-related issues as well as managing all aspects of the timely delivery of quality legal services.
- Assisted with government relations in relation to immigration, employment, and operations as well as participated in legislative and political advocacy with the Japanese government. My efforts included Temple University's success in obtaining official governmental recognition from Japan and the Ministry of Education in 2005.
- Oversight and management of outside counsel, associate counsel, and interns.
- Interface and coordination with legal counsel at main campus in Philadelphia.
- Responsible for all university contracts. Contracts encompassed employment, confidentiality, licenses and sublicenses, facilities, corporate and academic affiliations, and other matters.
- Risk assessment, dispute resolution, student conduct issues, and crisis management
- General assistance with compliance, corporate governance, accounting, and audits.
- Management of intellectual property matters and personal data protection issues
- Formulation and implementation of internal policies, standards, rules, and procedures.

LAW PROGRAM DIRECTOR | Japan Campus (2003-05)

- Leading and managing the law program (J.D. semester abroad and LL.M. programs).
- Record domestic and record study abroad enrollments while overseeing recruiting, marketing, and public relations activities.
- Curriculum development, accreditation, and annual reporting.
- Led successful American Bar Association accreditation visit in 2004.
- Responsible for faculty hiring, scheduling, and quality control.
- Organized special events, community outreach, and seminars including the Japan Federation of Bar Associations, American Bar Association, U.S. Supreme Court, and others.
- Development of relationships with international law firms, Japanese law schools, Japanese companies, and U.S. military.
- Assisted Japan with trial advocacy training of Japanese criminal lawyers as the country revised its criminal justice to embrace quasi-jury trials.
- Lobbied for certain legal reforms at the invitation of the Japan Federation of Bar Associations.

MISSOURI WESTERN STATE UNIVERSITY

Focused on applied learning, MWSU is a comprehensive open-access regional university that offers professional master's degrees, baccalaureate degrees, associate degrees, pre-professional programs, and certificates.

PRESIDENT (2019-20)

- **Financial rehabilitation:** Devised and spearheaded a successful turnaround plan in cooperation with the State of Missouri, Board of Trustees, university stakeholders, and community after our new team discovered a university in severe financial distress and significant problems unknown to the Board and State.
- **Elevated collaborations:** Increased collaborations with the Kansas City Chiefs, Mosaic Life Care, local school district, government, non-profit organizations, and military. Projects included an expansion of our nursing program, early childhood programs, K-12 education, downtown revitalization, health services, community development, and expanded veterans center.
- **Innovation and resource building:** Raised private and public funds for major initiatives that I conceived and launched together with my team including:
 - **Center for Service:** new major program enabling students to obtain up to three college credits towards their degree at no cost in exchange for validated community service. This program was supported by funds secured from the government and private donors.
 - **Griffon Guarantee Scholarship:** devised a new distinctive scholarship program that ensured scholarship retention while providing students with automatic upgrades each year. This program helped attract and retain students.
 - **Gold Friday initiative:** conceived an innovative initiative that concentrates courses on Monday-Thursday and dedicates Friday to activities focused on practical learning, student success, career development, student research, and service.
 - **esports program:** rolled out this new initiative to provide pathways for students to flourish academically, socially, and professionally through varsity teams, clubs, and academic programs.
 - **Global Center:** established to focus on recruitment of international students and globally-minded local students; provide innovative global programming; and formation of cross-border relationships with universities around the world.

UNIVERSITY OF AKRON

Founded in 1870, the University of Akron is a public research university with multiple campuses offering access to over 300 undergraduate, graduate, postdoctoral, and professional degree programs in the arts, sciences, humanities, business, engineering, health professions, and law.

PRESIDENT / INTERIM PRESIDENT (2016-18)

- **\$70 million two-year budgetary turnaround:** In 2016, the institution faced a \$30 million deficit. Spearheaded collective efforts together with my new team that resulted in the elimination of our deficit and addition of \$12 million to our reserves. In the second year of the plan, we strategically instituted measures that nearly eliminated a projected \$40 million deficit.
- **Development efforts:** Participated in hundreds of one-on-one visits and events with major university supporters, donors, alumni. Outcomes included:
 - **Making a Difference Moving Forward Scholarship Campaign:** New campaign resulted in a 50% increase in overall scholarship giving with over \$20 million raised for endowed scholarships and over \$600,000 for unrestricted non-endowed scholarship support. Donations from first-time donors grew as well.
 - **Highlights of major gifts** during my presidency include the largest single gift in history (\$23 million bequeathal); \$5 million gift to construct a museum for Native American artifacts; and \$3 million gift for a named College of Polymer Science professorships.
- **External engagement | Hands-on student recruitment:** Following a short-term president, it was critical to re-engage with and reassure stakeholders and feeder schools. As a start, I made over 150 visits to feeder high schools. I also gave several hundred internal and external speeches; conducted over 100 high-level meetings with governmental leaders and civic officials; held more than 50 meetings with higher education partners; and provided over 75 media interviews and appearances.

- ***Innovative approaches to student recruitment, retention, and internationalization:*** Conceived, helped develop, and led innovative approaches to increase enrollment and improve retention. Our successful efforts include the following:
 - **Akron Guarantee Scholarship** formulated a unique scholarship program that ensures scholarship retention while providing students with automatic upgrades each year.
 - **Five-Star Friday initiative:** conceived an innovative initiative that concentrates courses on Monday-Thursday and dedicates Friday to activities focused on practical learning, skills development, career preparation, and student success.
 - **Esports varsity team & club program:** spearheaded the conception and development of a new program designed to tap into the burgeoning world of online competitive video gaming and builds bridges into our academic programs and career pathways.
 - **International Center and new global relationships:** established to focus on recruitment of international students and globally-minded local students; provide innovative global programming; and formation of cross-border relationships with universities in Japan, South Korea, China, Taiwan, and Vietnam.
- ***Expansion of Early College High School (AA degrees) and concurrent enrollment programs.*** Spearheaded initiative to facilitate greater access to college degrees in urban and rural environments through a major expansion of the acclaimed Early College High School (Portage Lakes Career Center and Barberton High School) and dual enrollment programs.
- ***Transparency and shared governance:*** Working transparently and closely with faculty and other university constituencies, we restored credibility, confidence, and hope in University leadership. Together, we created a short-term strategic plan to address serious challenges. To facilitate better strategic planning, we worked with Ernst & Young to develop a data analytic dashboard system focused on enrollment, retention, scholarships, state support, and course offerings. The Higher Learning Commission recognized improvements in shared governance.
- ***Student-first approach and creative engagement:*** Constant interaction with students, social media engagement, and accessibility enabled strengthening of trust and feeling of community. I creatively engaged students through a host of measures such as basketball shooting contests, bowling challenges, sand volleyball tournaments, bingo, and lip sync competitions; hot chocolate stations and golf cart shuttle between classes; performing with our university steel drum band and tuba band; assisting with residence hall move-in and dining hall special events; guiding several study abroad excursions to Asia; joining with students in community service projects; and others.

DEAN OF SCHOOL OF LAW (2014-16) | PROFESSOR OF LAW (2014-19)

- ***Increased enrollments:*** Restructured admissions and recruiting methods, revamped scholarship system, and redesigned marketing resulting in a 40% increase in new student enrollment.
- ***Successful fundraising and facilities campaign:*** Planning, oversight, and fundraising for a \$21 million comprehensive, debt-free renovation of the law school facilities.
- ***Innovation and collaboration:*** Developed market-changing initiatives in cooperation with the law faculty such as: (i) spring semester start program; (ii) new experiential programs including a Summer Trial Academy, Domestic Relations Court Clinic, Public Health Law Clinic, Immigration & International Human Rights Clinic, and Honors Program; (iii) 3+3 relationships within the University of Akron and external partners; and (iv) Master in Legal Studies degree.
- ***Internationalization:*** Developed a two-year juris doctor program for international lawyers; collaborative relationships with universities in Japan, South Korea, Vietnam, and China; and an innovative study abroad program in Asia.

UNIVERSITY OF WYOMING COLLEGE OF LAW

ASSOCIATE DEAN OF ACADEMIC AFFAIRS | ASSOCIATE DEAN OF STUDENT AFFAIRS [2009-2014]

- Provided senior leadership, directed administrative matters, and engaged in external relations.
- Strategic planning, problem solving, quality control, special events, and administration.
- Management of faculty hiring, faculty affairs, course scheduling, and budget.
- Enrollment management efforts including recruiting, admissions, branding, and marketing. My direct oversight of the student recruitment resulted in a 20% increase in enrollments.
